Preventive measures Covid-19

Due to health protocols, the tournament capacity is limited to 150 participants per day. Fencers who are not licensed in Belgium will therefore be accepted within the limit of available places, and in the order of receipt of registrations.

Accompanying persons and spectators will not be allowed on the competition area. They will have to stay in the area specified "spectators". A tracing form will be set up at the entrance of the competition. For the U17, it is recommended to limit to one accompanying person per fencer. For seniors, it is recommended not to come accompanied.

Each club may designate 1 coach/coach who will have access to the competition area, on the basis of 1 person for every 5 competitors entered (1 to 9 fencers, 2 from 10, 3 from 15, ...). The club must send to the organising club the names, first names and telephone numbers of these persons.

Wearing a mask is mandatory for everyone, except for the fencers during their warm-up or during the matches. Wearing a mask is also compulsory between two matches.

In order to simplify the management of the presents, no registrations will be accepted after the deadline. Likewise, it will not be possible to unregister after this deadline.
