- Remarks** . The organizer declines all responsibility in the event of accidents, loss or theft.
- . Street shoes and heels are prohibited in the sports halls. People with them will be asked to leave them at the entrance to the rooms.
- . Pets are prohibited throughout the sports center.
- Preventive measures Covid-19
- Payment for registration is to be made by bank transfer before the competition.  
One transfer per club or per fencer, based on the number of registered players.
- Due to the steady decline in the number of infections and hospitalizations, the corona barometer has been deactivated.  
Concretely, this implies:
- . The obligation to wear a mask is removed, however the mask is still recommended in very busy places.
- . Belgian and foreign fencers and accompanying persons are no longer subject to the presentation of a valid vaccination or recovery certificate or a test result  
However, this decision does not apply to fencers and accompanying persons from a country confronted with the presence of a new worrying variant. For these, the testing rules remain in effect.
- If the sanitary measures should be modified before the tournament is held, all participants will be notified.
- In the event of a dispute, only the French language regulations (available upon request) will be considered. The rules translations in Dutch and English are non-binding and given as reference only.
