Remarks	The objective is to train A-trainers. This is based on the B-trainer training and builds on the following extensions:		

- * Independent development of training patterns
- * Planning a long-term training structure (periodisation)
- * to lead athletes into follow-up and high performance training (AST+HLT)
- * Ability to analyse and document training and competition and to independently incorporate the results into training planning

Homework is checked and qualitatively assessed in each follow-up course and the results are included in the final mark for the examination in the 5th module.
