Quota

A valid EFC licence is required.

A valid DFB fencing pass is a starting requirement for German fencers. Adolescents under the age of 18 need a health certificate (not older than 365 days).

Each member federation can register an overall total of 24 fencers for each tournament, between 13-23 years old. Taking into consideration the general objective of the project we are anticipating that federations will register 12 fencers in the U23 category and 12 fencers in the U20 category.

If a federation does not use their quota of 12 registered U23 fencers, the remaining number, up to a maximum 6 fencers, can be used by the federation to register additional fencers in the U20 age category.
For the organising country the quota is doubled.

Quota The order of the incoming entries decides about the participation.
