Remarks	1) The final form of the competition will be decided provisionally after the deadline for inscriptions. There might still be adjustments before the beginning of the competition, as the final number of participants is settled. The goal is to follow the spirit of the new Masters rules so that especially in the lower age classes, all participants get to fence more matches than when using the former Masters rules. 2) The new mask fastening systems (according to m.25.7) is required for U17 and U20. 3) U9 Open competition is not part of the Masters Competition. It will be organized provided that there will be enough participants by the inscription deadline.
