The obligation to wear a mask is removed, however the mask is still recommended in very busy places. . Belgian and foreign fencers and accompanying persons are no longer subject to the presentation of a valid vaccination or recovery certificate or a test result However, this decision does not apply to fencers and accompanying persons from a country confronted with the presence of a new worrying variant. For these, the testing rules remain in effect.  If the sanitary measures should be modified before the tournament is held, all participants will be notified.  In the event of a dispute, only the French language regulations (available upon request) will be considered. The rules translations in Dutch and English are non-binding and given as reference only.
