CateringThe Cafeteria is run by our club.RemarksPreventive measures Covid-19

Payment for registration is to be made by bank transfer before the competition. One transfer per

club or per fencer, based on the number of registered players.

The corona barometer has been deactivated.

Concretely, this implies:

. The obligation to wear a mask is removed, however the mask is still recommended in very busy places.

. Belgian and foreign fencers and accompanying persons are no longer subject to the presentation of a valid vaccination or recovery certificate or a test result

However, this decision does not apply to fencers and accompanying persons from a country

confronted with the presence of a new worrying variant. For these, the testing rules remain in effect.

If the sanitary measures should be modified before the tournament is held, all participants will be notified.

In the event of a dispute, only the French language regulations (available upon request) will be considered. The rules translations in Dutch and English are non-binding and given as reference only.
